The ideal solution. BelAir Wall offers the ideal solution for residential and light commercial retaining and freestanding wall construction where pleasing aesthetics are a key consideration. The attractive multipiece design and blended colors offer an alternative look to traditional retaining wall blocks. BelAir Wall 6" units may be used alone, or in combination with 3" units, in applications ranging from curves to corners, terraces to raised patios, or steps to columns.

Celtik® Wall

More than a wall – it's a work of art. Rough-hewn textures and natural hues give this collection a time-honed appearance reminiscent of classic European gardens. Celtik Wall's antiqued look is complemented by modern manufacturing, which yields precise dimensional consistency, resulting in the perfect companion to your paver projects, landscape contouring, or garden areas.
