Re: Current and Past Projects

Dear Forrest:

Over the past few years we have worked together on numerous projects. We enjoy your company's professionalism and responsiveness in the preparation of construction plans and performing the work on-site. All the projects have come together smoothly with little or no obstructions. We look forward to a long and continued relationship for many years to come.

If you have any questions please contact me.

Sincerely yours,
SNIPES-DYE ASSOCIATES
